

United States Senate  
WASHINGTON, DC 20510

August 5, 2004

The Honorable George W. Bush  
President of the United States  
The White House  
1600 Pennsylvania Avenue NW  
Washington, DC

Dear Mr. President:

During the Executive Session held on Thursday, July 22<sup>nd</sup>, the Members of the Senate Commerce, Science and Transportation Committee expressed support for Commissioner Jonathan Adelstein's re-nomination to the Federal Communications Commission (FCC or Commission). As a result, we are writing together to urge you to nominate Commissioner Adelstein to an additional term at the FCC. His term expired last year.

Senator Daschle sent Commissioner Adelstein's name to the White House in February 2003, but the White House has not sent his nomination to the United States Senate. Absent re-nomination, he must leave the Commission at the end of the current Congressional session, leaving an open seat at the five-commissioner agency. A significant number of issues critical to American consumers are pending before the Commission.

We urge you to send Commissioner Adelstein's nomination to Congress as soon as possible. Thank you for your consideration.

Sincerely,

John McCain
